**TERMS AND CONDITIONS**  
**\*\*PLEASE READ BEFORE SIGNING\*\***

I wish my child to enrol at Buttercups Care Limited. I agree to comply with nursery policies (available on parent shelf) as well as other conditions that may be applied in the future by the setting. I understand that Buttercups has a statutory responsibility to observe my child, assess and record his/her developmental progress. I will be involved in this process and I have the right to request to see my child's records at anytime. I give my consent, by signing this contract, for observation to be carried out. I also understand that photographs may be taken as part of the observation process and to provide evidence of good practice to relevant authorities.

If someone other than the parent/carer, or persons detailed in this consent form, comes to collect the child, the child **will not** be allowed out of the nursery, and attempts will be made to contact you. Giving notice to the setting of any such changes will prevent such situations occurring. Please be aware that late collection of any child may result in a late collection fee being added to my account. Should this situation arise details of the fee will be explained to you.

We ask all parents to collect their children promptly at the end of the session. We will wait with your child for a short while in the case of accidental lateness. However, where it appears that the parent/carer is not coming or is extremely late, Social Services will be contacted. Practitioners cannot care for your child beyond the hours stated on the enrolment form.

I understand that all fees are payable four/five weekly in advance and are due by the date stated on the bill; this process is subject to change. Fees may be varied but reasonable notice of any changes will be given. **Days that have been booked must be paid for whether or not your child attends them. This includes additional sessions booked informally by telephone or by requesting additional sessions.** I agree to pay the fees charged in advance for the time that my child is booked to attend the setting. I understand that I am fully liable for payment of fees due. Payments are to be made on time and non-payment or regular late payment of fees could lead to my child losing his/her place at Buttercups, a late payment charge being applied or the outstanding debt being pursued through court action through a debt collection agency. Court fees or other administrative/legal fees incurred by the company in pursuing fees due may be added to your debt and recovered from you. Our current charge for late payment reminders is 10% of the outstanding amount. If a case is referred to a debt collection agency, the administrative charge currently starts at a minimum of £50.00. A late payment charge may be applied if payments are not made by the due date shown on the invoice, or within the first week of the payment period. Furthermore, if a child is withdrawn from the setting in a situation where the parent owes a debt the company directors will retain the right to make reference to this debt if information regarding payment history is requested by other childcare organisations or professionals' e.g. childminders.

I understand that I may withdraw my child, or reduce the number of sessions my child attends by giving **four weeks' paid notice** to the setting in writing. Additional sessions may be obtained with lesser notice, providing there is availability. Any "casual" sessions must be paid for in cash when dropping your child off at the setting. Staff reserve the right to refuse entry to a child if payment of fees is not made.

I understand the setting's statutory duties in relation to Child Protection. I understand that in serious circumstances, where staff have reasonable cause to believe that the child may be in danger of abuse, a report may be made without my consent.

By signing this form you are entering into a legal contract with Buttercups Care Limited, any amendments to your child's care can only be made by the persons named below:
